Item 2 of the Provisional Agenda

COMMISSION ON GENETIC RESOURCES FOR FOOD AND AGRICULTURE

Second Extraordinary Session¹

Rome, 22-27 April 1996

DRAFT PROVISIONAL AGENDA FOR THE FOURTH INTERNATIONAL TECHNICAL CONFERENCE ON PLANT GENETIC RESOURCES

The Report of the Sixth Session of the Commission (para. 61) reads as follows: "The draft provisional agenda for the Fourth International Technical Conference on Plant Genetic Resources was reviewed and modifications were proposed. A revised draft provisional agenda was agreed. It was, however, emphasized that this was still a draft, which includes options in brackets and which should be finalized at the Commission's proposed extraordinary session in April 1996, and that the Fourth International Technical Conference itself would decide the definitive version of the agenda."

This revised agenda, agreed at the Sixth Session, is reproduced in the present document.

¹ By Resolution 3/95 of the Twenty-Eight Session of the FAO Conference, the Commission on Plant Genetic Resources became the Commission on Genetic Resources for Food and Agriculture. The First Extraordinary Session was held under the Commission's previous name.
