Duration of Meetings

21. Normally, morning meetings are scheduled from 09.30 hours to 12.30 hours, and afternoon meetings from 14.30 hours to 17.30 hours, or later if required. On the first day, the morning meeting is scheduled from 10.00 hours to 13:00 hours.

Languages used in Meetings

23. The languages of the Organization are Arabic, Chinese, English, French, Russian and Spanish. Simultaneous interpretation is provided in these languages at sessions of Conference (plenary meetings and one of the two Commissions), Council, COFO, COFI and CFS. Meeting documents for these Governing Bodies are published in the same languages.
24. Meetings of COAG and CCP are held in Arabic, Chinese, English, French and Spanish, with meeting documents published in the same languages.

Plenary Meetings during Conference Sessions

25. The first two Plenary meetings of a Conference Session consist mainly of procedural matters. At its first Plenary meeting, the Conference elects its Chairperson and three Vice-Chairpersons, appoints the seven members of the General Committee and the nine members of the Credentials Committee. These appointments are followed by the delivery of the McDougall Memorial Lecture. The Plenary meeting then adjourns to enable the General Committee to hold its first meeting.
26. At its second Plenary meeting in the afternoon, the Conference, acting on the first report of the General Committee, adopts the Agenda, establishes the Commissions, appoints a Resolutions Committee and deals with the admission of observers and other procedural matters. It also adopts the first report of the Credentials Committee. The votes on the admission of new Members take place, and are followed by the ceremony of admission. While the votes are being counted, the presentation of the B.R. Sen Awards, the A.H. Boerma Award, the Edouard Saouma Award and the Margarita Lizigarra Medal takes place.

27. The Third Plenary meeting includes the Director-General's Statement to the Conference on the work of the Organization, followed by the Statement of the Independent Chairperson of the Council.
28. The General Debate by Heads of Delegation on *the State of Food and Agriculture* usually takes place from the Third to the Eighth Plenary meetings. Friday morning is set aside for the vote on the Programme of Work and Budget, and the afternoon for the election of the Independent Chairperson and Members of the Council.
29. The remaining Plenary meetings are used to conclude other items on the Agenda and to adopt the report of the Conference.

Meetings of Commission I and Commission II during Conference Sessions

30. As the Plenary proceeds with its work, Commission I and Commission II are also in session. Each of these Commissions has its own Chairperson, Vice-Chairpersons, Drafting Committee and Secretariat.
31. Commission I begins its work on Monday, and adopts its report within the Commission by Thursday. Commission I Reports are then adopted in Plenary on the last day of the Conference.
32. Commission II also begins its work on Monday morning, and adopts its report in Commission on Thursday afternoon. Commission II Reports are forwarded to the Plenary for final adoption on the last day of the Conference.
