REPRESENTATION OF CHILE TO FAO

Rome, 19 November 1999

N. 085/99

NOTE VERBALE

The Permanent Representation of Chile to FAO presents its compliments to the Food and Agriculture Organization of the United Nations - the Secretariat of the Conference and Council - and has the honour to refer to note verbale N° 69 in which it submitted the candidature of Mr Humberto Molina, Alternate Representative to FAO, for membership of the Programme Committee.

In this connection, the Representation of Chile wishes to report that the Government of Chile has decided to associate itself with the regional consensus and support the candidature of Colombia for membership of this Committee. It therefore withdraws the candidature of the Alternate Representative of Chile.

The Representation of Chile would be grateful if the Secretariat of the Conference and Council could take the necessary action, and avails itself of this opportunity to renew to the Food and Agriculture Organization of the United Nations the assurance of its highest consideration.
