The ECA Executive Committee Information Document

(March 2024)

I. Background

1. The purpose of this document is to describe and clarify the arrangements and working modalities relating to the Executive Committee (ExCom) of the European Commission on Agriculture (ECA) so that it can serve as a reference document, aiming at ExCom members in fulfilling their mandate, as well as the ECA Secretariat in providing support to the ExCom activities.

2. The document does not replace or bypass the Rules of Procedures for the European Commission on Agriculture.

3. It is a living document, which will be updated as required to provide information on the working modalities of the ExCom.

4. The basis for the work of the ExCom are the following documents:
   - Rules of Procedure of the Regional Conference for Europe (RoP of ERC)\(^1\)
   - Rules of Procedure of the European Commission on Agriculture (RoP of ECA)\(^2\)
   - Multi-year Programme of Work (MYPOW) of the ERC.\(^3\)

II. Working modalities relating to the ExCom

2.1 The ECA Secretariat (ECAS)

5. The ECA Secretariat (ECAS), hosted by REU, supports the ExCom in its work.\(^4\) The work of the Secretariat is overseen by the ADG-RR. Its Secretary is appointed by the FAO Director General upon suggestion by ADG-RR. The Secretary is supported by the staff in the Regional Office for Europe and Central Asia in their technical and operational functions.

6. The ECA Secretariat provides administrative support for the work of ExCom, especially in terms of:
   - coordination with the ECA Chairperson on the dates and locations of the meetings;
   - preparation of meetings, meeting documents, and meeting minutes;
   - supporting efficient communication on ECA-related matters between the ECA Chairperson and the Members of the Region;
   - keeping the repository of all ExCom documents.

2.2 Composition and elections of the ExCom

7. As outlined in the RoP the ExCom shall be composed of the Chairperson, the two Vice-Chairpersons of the Commission as ex officio members and six other members elected by the Commission from among the representatives.5

8. Elections shall take place at the end of each regular ECA session.

9. The responsibility for the nomination of the ECA officers is with its members. The ECAS facilitates in communication with the members nominations and reaches out prior to the next ECA session obtaining interest for nominations. The example of the invitation to submitting nominations of candidates for positions in the ExCom is presented in Appendix 1, the form for submitting nominations in Appendix 2. Following the expression of interest of candidates. The Secretariat makes the list of eligible nominees available to the Members of the ECA prior to the Session.

2.3 Roles and responsibilities of the ExCom

10. The role and responsibility of the ExCom is outlined in the RoP and it functions as executive bureau of the ECA during the inter-session period.6

11. Main tasks of the ExCom:
   - submits proposals concerning the general orientation of the Commission's activities and its programme of work to the Commission;
   - investigates particular problems and helps ensure the implementation of the programme approved by the Commission.7
   - oversees the preparation of the sessions of ERC, ECA and Informal Consultation
   - reviews the implementation of REU’s work plan in Europe and Central Asia. The ExCom is requested to review updates on the implementation of selected topics on REU’s work plan. These updates are presented at ExCom meetings by relevant REU’s technical officers.

12. The ExCom has a specific role beyond its technical mandate as a regional commission in facilitating the overall work in the region and serves as the preparatory body for technical discussions and decision-making at ERC.8 Among them are:
   - reviews and provides recommendations on proposals for the main technical theme for the sessions of ERC,
   - provides advice and feedback on the ERC agenda,
   - reviews regularly the progress and current state of preparations for the ERC sessions in its ExCom meetings.

2.4 Preparation of the ECA Sessions and identification of the topic and agenda

13. ECA sessions take place every two years, usually in the second semester of the year without a session of the ERC. In exceptional circumstances, where a session of ECA cannot be held as a physical meeting, it may be conducted in virtual/hybrid modality in line with the modalities applied by FAO for virtual/hybrid meetings.

14. As recommended by the ECA Assessment conducted in 2017, each ECA session should have a main technical theme. The technical theme of the session should be of interest to the entire membership, to be tackled from different perspectives, e.g. on-going initiatives, innovation, technologies, policies, management capacity development needs and opportunities, etc. Whenever relevant and appropriate, the ECA theme should align with the biennial theme selected by the FAO Conference, addressing it from the perspective of ECA mandate, to avoid duplication of debates.

15. Identification of the main technical theme and preparation of the draft annotated agenda for an ECA session are joint responsibilities of the ExCom and the ADG-RR, as prescribed by the RoP of ECA.

16. Proposals for the main technical theme for an ECA Session are collected through an open call operated by the ECA Secretariat, in order to obtain information on topics of interest from the Members of the region. The call should be accompanied by relevant guidance on the selection of topics for ECA sessions and by the list of topics covered at previous ECA and ERC sessions.

17. The ExCom identifies the main technical theme of each ECA session, along with subtopics to be discussed during the session.

18. Once the main technical theme is agreed, the ECA Secretariat drafts the annotated agenda in collaboration with technical expertise in REU and HQ for the session and presents it to the ExCom for review and comments.

19. In order to facilitate the consultation process, the draft topics for the agenda shall be brought to the attention of the Members of the region through the European Regional Group and the traditional Informal Consultation meeting organized usually in the year of the Session of ECA.

20. The ExCom is regularly updated by the ECA Secretary on the progress and current state of preparations for ECA sessions.

### 2.5 ExCom Meetings and preparation of minutes

21. The ExCom conducts its activities primarily during meetings, which take place approximately three to four times a year. The ExCom meetings may be held in face-to-face mode, virtually, or hybrid modality may be used. ExCom meetings take place in accordance with the work plan and meeting schedule.

22. The dates for ExCom meetings are proposed by the ECAS in close consultation with the Chair of the ExCom and its members.

23. The meeting invitations sent to the participants at least seven days prior the meeting. Apart from the ExCom members and the Secretariat, the meetings may be attended by the members of the REU management (ADG-RR, Deputy RRs) and technical officers, as needed.

24. The preparation of background documents for the ExCom meetings is facilitated by the ECAS, and makes the document available to the ExCom members by email and posting on the ExCom website at least seven days prior the meeting.

- place and date of the meeting;
- relevant discussion points and statements;
- decisions made by the ExCom;
- required actions to be taken after the meeting is concluded;
- annexes, including the list of participants, the adopted agenda and documents revised by the ExCom during the meeting.

28. Preparation of the minutes, including taking notes at the meeting, drafting the minutes, sending the draft for comments, revising the draft based on the comments, submission for approval, and posting, is conducted by the ECA Secretariat. Templates for annexes to meeting minutes are presented in annex 2 and annex 3.

29. Following an ExCom meeting, the ECAS prepares draft minutes for review by the Chair and the ExCom members. The minutes should be finalized and published on the ExCom website\textsuperscript{14} by the ECA Secretariat within two weeks after the meeting of the ExCom.

30. ECA Secretariat notifies Members of the region and the ExCom about the posting of the minutes, including the link to the relevant website.

### 2.6. ExCom Workplan

31. The work plan lists items foreseen to be discussed during the term of the ExCom, along with approximate dates for their consideration. The meeting schedule lists the planned meetings of the ExCom, along with the main topics to be discussed at each meeting. Appendix 3 – Example of invitation to submitting proposals for the main technical theme of a session of the ECA

THIS MESSAGE IS SENT ON BEHALF OF THE ASSISTANT DIRECTOR GENERAL OF FAO AND OF THE CHAIRPERSON OF THE ECA

Dear Members of the European Commission on Agriculture,

The Secretariat of the European Commission on Agriculture (ECA) has the pleasure and honour to thank you for your participation in the Forty-third Session of the ECA and would like to kindly invite you to provide your input into the preparation of the Forty-fourth Session of the ECA, which is tentatively planned to be held in Budapest, Hungary, on xx-xx Xxxxxxxxxx 2025.

The technical content is key for the Sessions of the ECA. As recommended by the Assessment of the ECA conducted in 2017 (https://www.fao.org/3/bt620e/bt620e.pdf), “each ECA session should focus on one technical theme, of interest to the entire membership, to be tackled from different perspectives, e.g. ongoing initiatives, innovation, technologies, policies, management capacity development needs and opportunities, etc.”. Moreover, “whenever relevant and appropriate, the ECA theme should align with the biennial theme selected by the FAO Conference”.

The ECA Assessment Report further recommends that “the fine-tuning of the theme would require a robust consultation process with all institutional owners of the ECA”.

In this context, Members of the ECA are hereby kindly invited to analyze the needs of their country and of the region that fall into the scope of the current FAO biennial theme and propose a main technical theme for the next Session of the ECA, considering the recommendations of the 2017 ECA Assessment.

The Secretariat of ECA kindly reminds that the FAO biennial theme for the years 2022-2023, adopted by the Forty-second FAO Conference, is “(tbd)”. Members are also kindly invited to note that Sessions of the ECA look at their main themes from different perspectives, which are indicated in sub-topics under the overarching main theme.

For reference, Members may kindly find attached the list of themes covered in the past Sessions of the Regional Conference for Europe and the European Commission on Agriculture.

Members of the ECA are kindly invited to submit their proposals for the main technical theme for the Forty-fourth Session of the ECA by 15 July 2024 to the ECA Secretariat (ERC-ECA-Secretariat@fao.org). Members are further invited to propose sub-topics describing different perspectives for discussing the main theme (two to four sub-topics for each proposed main theme).

For the submissions, please use the submission form attached to this invitation. Please use a separate form for each proposed theme.

The Secretariat of ECA further informs that all submitted proposals will be reviewed by the FAO Regional Office for Europe and Central Asia and by the Executive Committee of the ECA. The Executive Committee will select one or more preferred proposals, for which they will seek agreement with the FAO Assistant Director General - Regional Representative. Once agreed, this proposal will become the main technical theme for the Forty-fourth Session of the ECA and along with the sub-topics, will form the basis for the preparation of its technical background documents.
For any further information, please do not hesitate to contact the ECA Secretariat (ERC-ECA-Secretariat@fao.org).

Yours sincerely,

Assistant Director-General
Regional Representative for Europe and Central Asia

Chairperson of the ECA
