

WRITTEN CORRESPONDENCE PROCEDURE (WCP)
34th SESSION OF COFI

INDONESIA'S COMMENTS ON ITEM 13.1

[Terms of Reference of the International Platform for Digital Food and Agriculture](#)

Indonesia appreciates the progress that have been made in developing the Terms of Reference of the International Platform for Digital Food and Agriculture and the inclusive consultative process.

Indonesia highlights the importance to promotes inclusive multi-stakeholder forum to strengthen the efforts on the digitalization. Indonesia requests FAO to enhance the benefits of digital technology applications in fisheries, while addressing potential economic, social and ethical impacts and concerns.
