

## ملحق 4

# أوراق العمل لتقرير التقييم العالمي لحالة الموارد الحرجية لعام 2010

النتائج الرئيسية في التقييم العالمي لحالة الموارد الحرجية لعام 2010 والتقارير القطرية وجميع الوثائق الأساسية ذات الصلة متوفرة على الموقع الإلكتروني لمنظمة الأغذية والزراعة [www.fao.org/forestry/fra2010](http://www.fao.org/forestry/fra2010) وتوجد قائمة كاملة بجميع أوراق العمل التي أعدت لبرنامج التقييم العالمي لحالة الموارد الحرجية على الموقع الإلكتروني [www.fao.org/forestry/site/2560/en](http://www.fao.org/forestry/site/2560/en) ويتضمن هذا الملحق أوراق العمل التي كانت متصلة اتصالاً مباشراً بتقرير التقييم العالمي لحالة الموارد الحرجية لعام 2010. ويمكن طلب نسخ ورقية منها إما عن طريق البريد الإلكتروني [fra@fao.org](mailto:fra@fao.org) أو بطلبها بالبريد العادي من العنوان التالي: FAO, Forestry Department, FRA Programme, Viale delle Terme di Caracalla, 00153 Rome, Italy وتشير الحروف E, F, S, A, C, R إلى اللغات الإنجليزية والفرنسية والإسبانية والعربية والصينية والروسية.

العنوان	الرقم
Specification of national reporting tables for FRA 2010 (E, F, S, A, R)	135
Forest monitoring and assessment for climate change reporting: partnerships, capacity building and delivery (E)	142
Guidelines for country reporting to FRA 2010 (E, F, S, A, R)	143
Proc. technical meeting of the national correspondents, Global Forest Resources Assessment 2010, 3–7 March 2008, Rome, Italy (E)	145
Proc. FRA 2010 regional workshop for national correspondents for the Asian region, 13–16 October 2008, Kuala Lumpur, Malaysia (E)	146
Proc. FRA 2010 regional workshops for national correspondents and focal points for the Pacific Region, 18–20 April 2008, Hanoi, Viet Nam; 19–21 November 2008, Nadi, Fiji (E)	147
Proc. FRA 2010 regional workshop for national correspondents for Anglophone Africa, 7–9 October 2008, Nairobi, Kenya (E)	148
Proc. FRA 2010 regional workshop for national correspondents and focal points for the Near East region, 13–16 October 2008, Alexandria, Egypt (E)	150
Compte-rendu de l'atelier régional FRA 2010 pour les correspondants nationaux et les points focaux des pays francophones de l'Afrique, 10–12 Décembre 2008, Bamako, Mali (F)	151
Acta de la reunión regional de FRA 2010 para los correspondentes nacionales de habla hispana, 28–30 de octubre 2008, Brasilia (S)	152

العنوان	الرقم
Proc. FRA 2010 regional workshop for national correspondents from English-speaking Latin America and the Caribbean countries, 2–4 December 2008, Castries, Saint Lucia (E)	153
Towards defining forest degradation: comparative analysis of existing definitions, 8–10 September 2009, Rome, Italy, Simula, M. (E, F, S)	154
FRA 2010 remote sensing survey – An outline of objectives, data, methods and approach (E)	155
Community measurement of carbon stock change for REDD. <i>Case studies on measuring and assessing forest degradation</i> Skutsch, M.M., McCall, M.K., Karky, B., Zahabu E. & Peters-Guarin, G. (E)	156
Addressing forest degradation in the context of joint forest management in Udaipur, India. <i>Case studies on measuring and assessing forest degradation</i> . Kleine, M., Shahabuddin, G. & Kant, P. (E)	157
An operational approach to forest degradation. <i>Case studies on measuring and assessing forest degradation</i> . Bahamóndez, C., Martin, M., Müller-Using, S., Rojas, Y. & Vergara, G. (E)	158
Defaunation and forest degradation in Central African logging concessions: how to measure the impacts of bush meat hunting on the ecosystem. <i>Case studies on measuring and assessing forest degradation</i> Nasi, R. & van Vliet, N. (E)	159
Assessment of forest degradation by local communities: the case study of Ghana. <i>Case studies on measuring and assessing forest degradation</i> . Blay, D., Dwomoh, F.K. & Damnyag, L. (E)	160
Integrating forest transects and remote sensing data to quantify carbon loss due to forest degradation in the Brazilian Amazon. <i>Case studies on measuring and assessing forest degradation</i> . De Souza, C.M., Cochrane, M.A., Sales, M.H., Monteiro, A.L. & Mollicone, D. (E)	161
Monitoring degradation in the scope of REDD. <i>Case studies on measuring and assessing forest degradation</i> Baldauf, T., Plugge, D., Rqibate, A. & Köhl, M. (E)	162
Forest degradation in Nepal: review of data and methods. <i>Case studies on measuring and assessing forest degradation</i> . Acharya K.P. & Dangi, R.B. (E)	163
Impact of developmental projects in the humid evergreen broad-leaved forest: Wasabi pilot project at Lamperi, Western Bhutan. <i>Case studies on measuring and assessing forest degradation</i> Wangda, P., Gyaltsen, D. & Pradhan, R. (E)	164
Measuring ecological impacts from logging in natural forests of the eastern Amazônia as a tool to assess forest degradation. <i>Case studies on measuring and assessing forest degradation</i> . Lentini, M.W., Zweede, J.C. & Holmes, T.P. (E)	165
Global mapping and monitoring the extent of forest alteration: the intact forest landscapes method. <i>Case studies on measuring and assessing forest degradation</i> . Potapov, P., Laestadius, L., Yaroshenko, A. & Turubanova, S. (E)	166
Extrait de l'inventaire forestier des forêts classées autour de Bamako <i>Etudes de cas sur l'évaluation de la dégradation des forêts</i> , Tangara, N.O. (F)	167

العنوان	الرقم
Occupation des sols des forets classées du Niger et l'analyse des dynamiques de changement <i>Etudes de cas sur l'évaluation de la dégradation des forêts</i> , Adamou, I. et Garba, A. (F)	168
La dégradation des forêts en République Démocratique du Congo <i>Etudes de cas sur l'évaluation de la dégradation des forêts</i> , Kamungandu, C.M. (F)	169
Surveillance et suivi de la santé des forêts au Maroc <i>Etudes de cas sur l'évaluation de la dégradation des forêts</i> Assali, F. (F)	170
Technical meeting on assessment and monitoring of forest degradation 8-10 September 2009, Rome, Italy-Summary report (2009) (E, F, S)	171
Measuring and monitoring forest degradation through national forest monitoring assessment <i>Case studies on measuring and assessing forest degradation</i> Tavani, R., Saket, M., Piazza, M., Branthomme, A. & Altrell, D. (E)	172
Analysis of the normalized differential vegetation index (NDVI) for the detection of degradation of forest coverage in Mexico 2008–2009 <i>Case studies on measuring and assessing forest degradation</i> Meneses Tovar, C.L. (E, S)	173
“LADA-LOCAL” A local level land degradation assessment approach and a case study of its use in Senegal <i>Case studies on measuring and assessing forest degradation</i> Bunning, S. & Ndiaye, D.S. (E)	174
Results of pathological monitoring in degraded Russian forests <i>Case studies on measuring and assessing forest degradation</i> Moiseev, B. (E)	175
Forest resources degradation accounting in Mongolia <i>Case studies on measuring and assessing forest degradation</i> Ykhanbai, H. (E)	176
Terms and definitions for FRA 2010. Rome, Italy (E, F, S, A, R, C)	177
