FAO Council 164 App Guide

Receive real-time notifications.

Access documents, schedule of meetings, information for participants and more.

Available in all official languages.

Downloading the app from your device

To download the app, follow the below instructions using the device (smartphone or tablet) you would like to install the app on. Please note, iOS devices are for iPhones and iPads; Android devices are for all other systems like Samsung or Huawei.

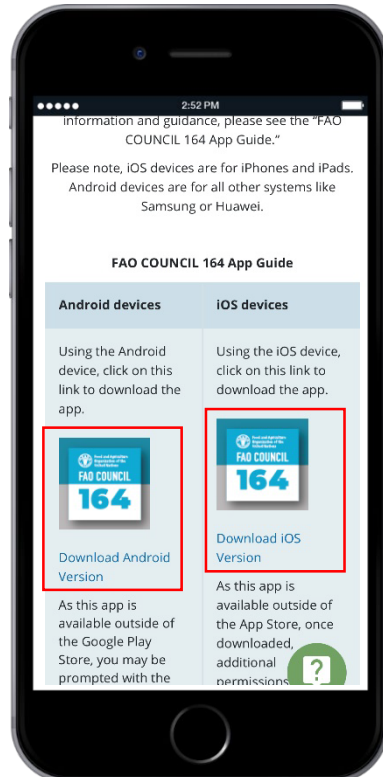

STEP 1

Using your device, scan the QR code or [Click here](#) to access the FAO COUNCIL 164 App Webpage.

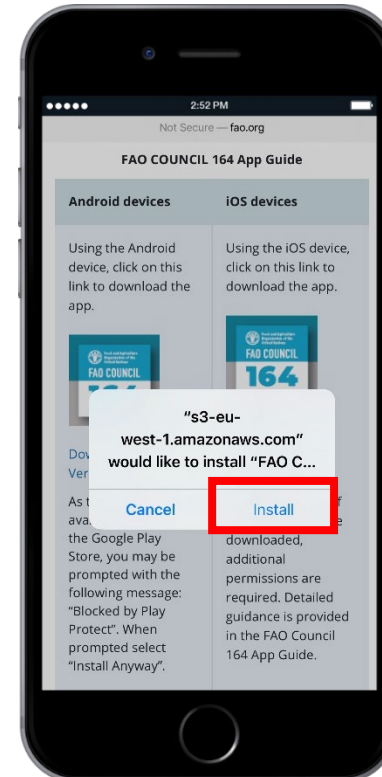

STEP 2

On your device (Android or iOS), click on the appropriate download link.

STEP 3

When prompted click on "Install".

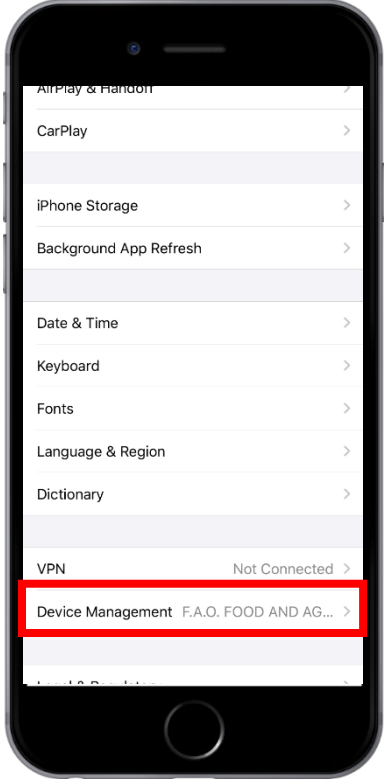

The app will automatically start downloading on your device.

Once downloaded on iOS devices, you must grant additional permissions to access the app. Please see the next page.

Granting permissions on iOS devices

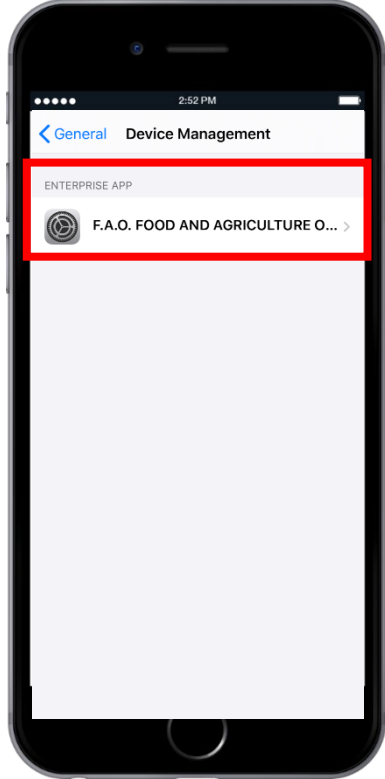

STEP 1

Once installed, open “Settings” on your device and select “General”. Select “Device Management”.

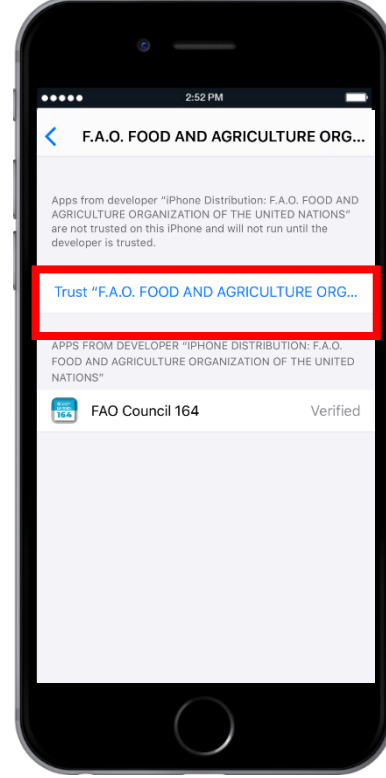

STEP 2

Select “F.A.O. FOOD AND AGRICULTURE ORGANIZATION”.

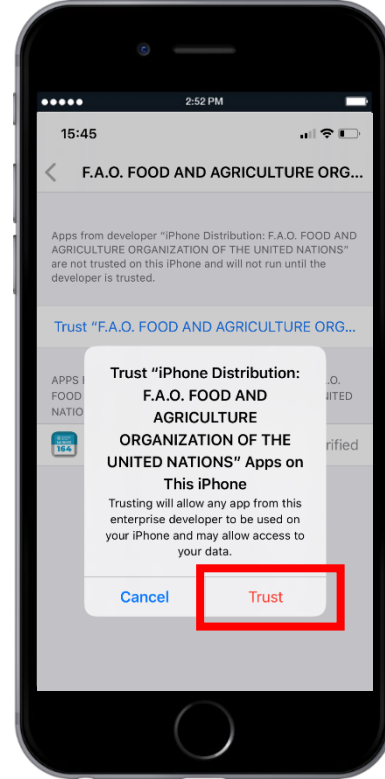

STEP 3

Select “Trust F.A.O. FOOD AND AGRICULTURE ORGANIZATION”.

STEP 4

When prompted select “Trust” and you now can access the app.

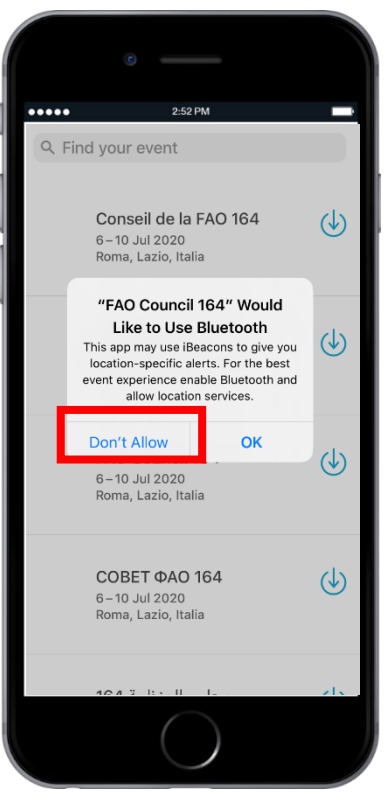

You can now access the FAO Council 164 app on your device.

Setting up the app for the first time

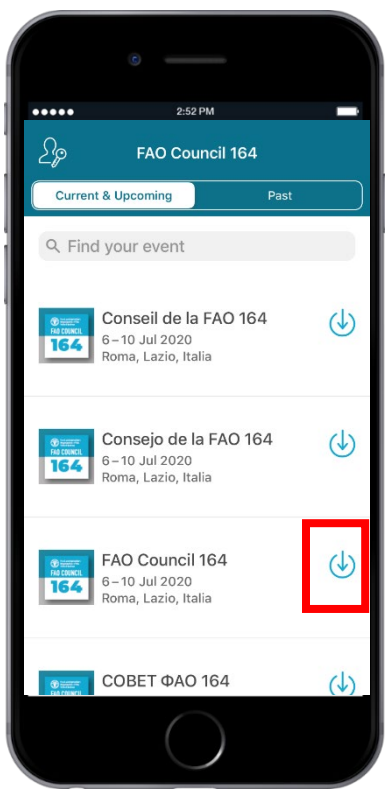

STEP 1

Bluetooth is not needed for the use of the app. Select "Don't Allow".

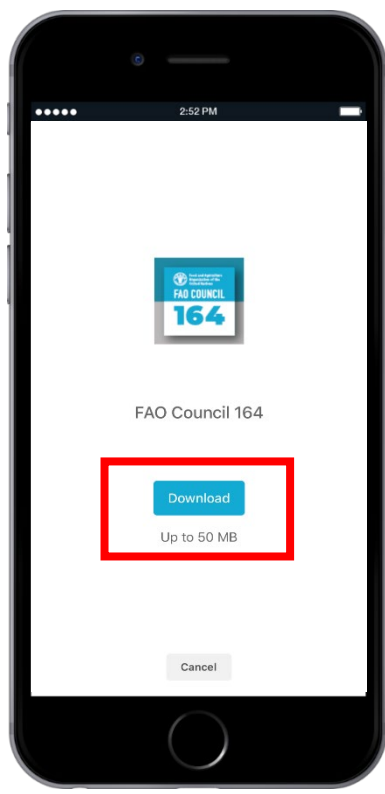

STEP 2

Select your language of choice and select the download button.

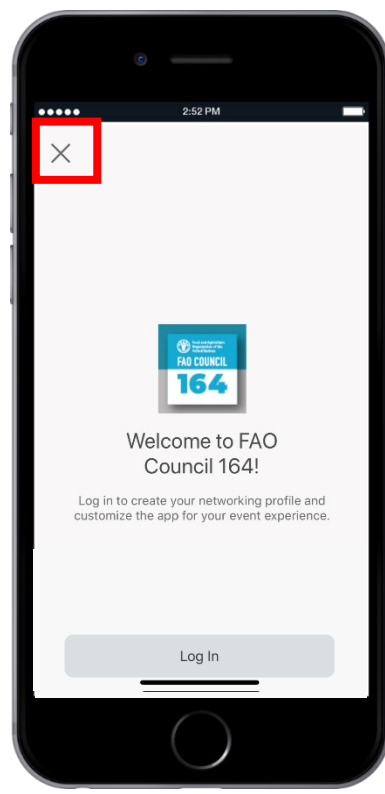

STEP 3

Select "Download" and the app contents in your preferred language will start downloading.

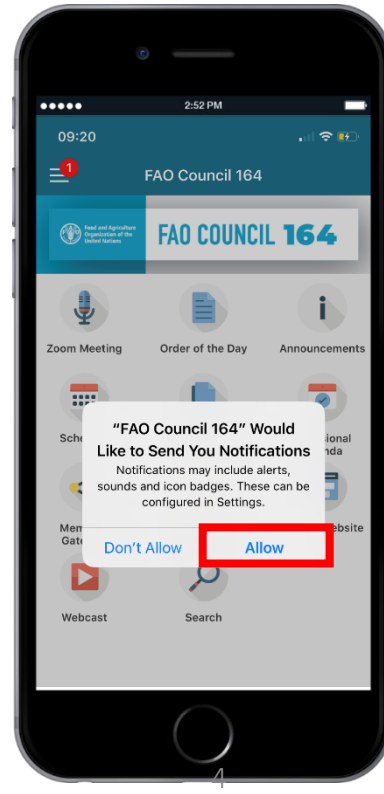

STEP 4

No need to log in! Select the "X" in the corner.

STEP 5

When prompted select "Allow" to receive important updates about the Council session.

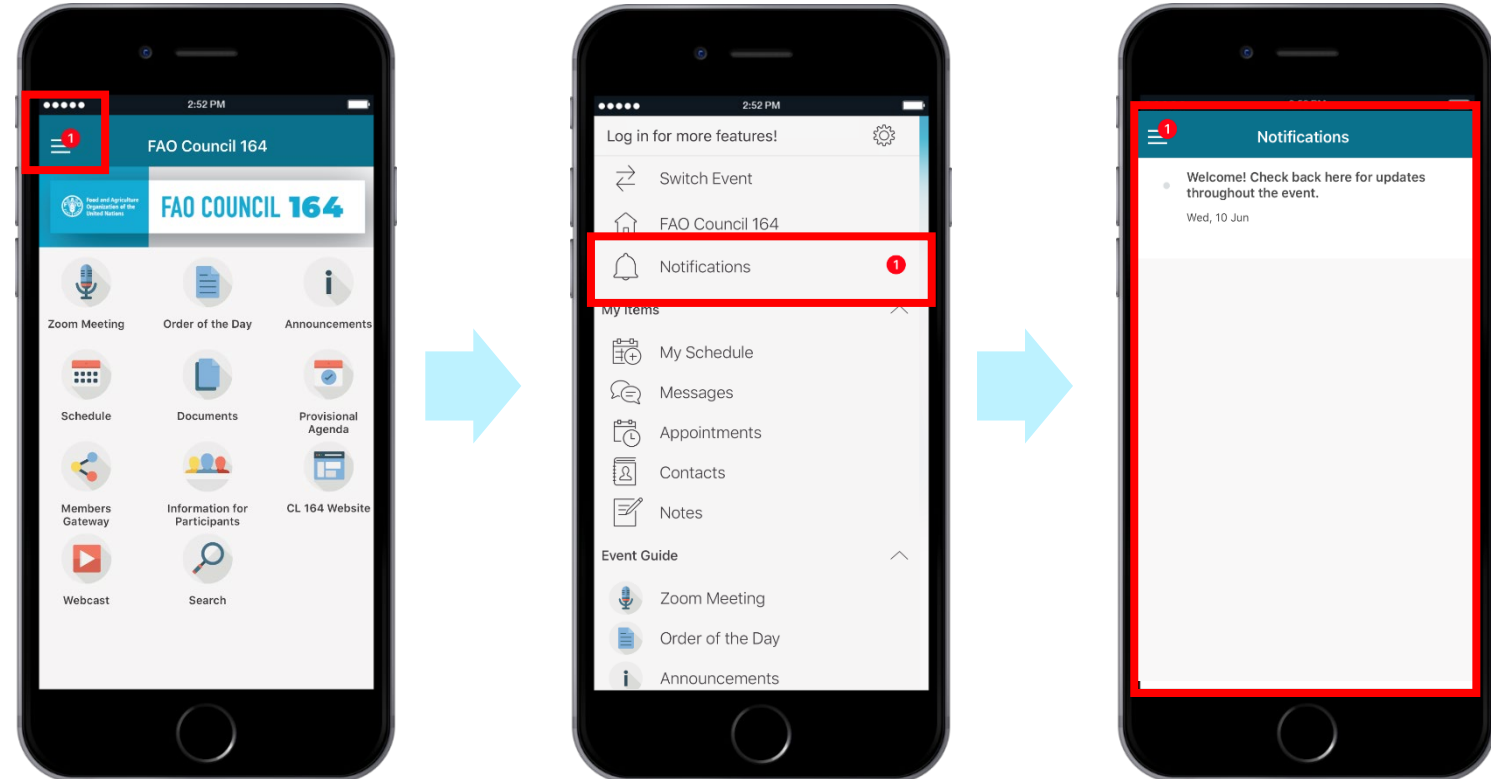

Getting to know the app: Notifications

A key feature of the app is receiving Notifications.

All notifications are stored in the Notifications section of the app.

Click on the Menu button in top left hand corner to access notifications.

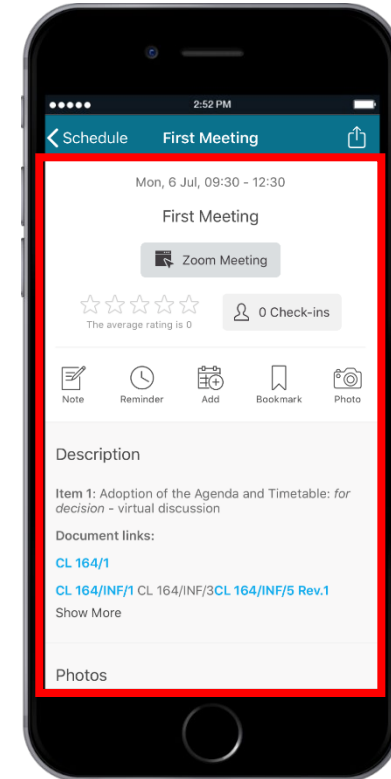

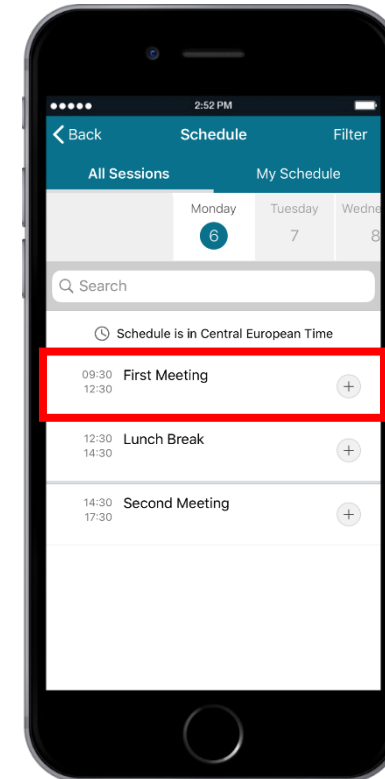

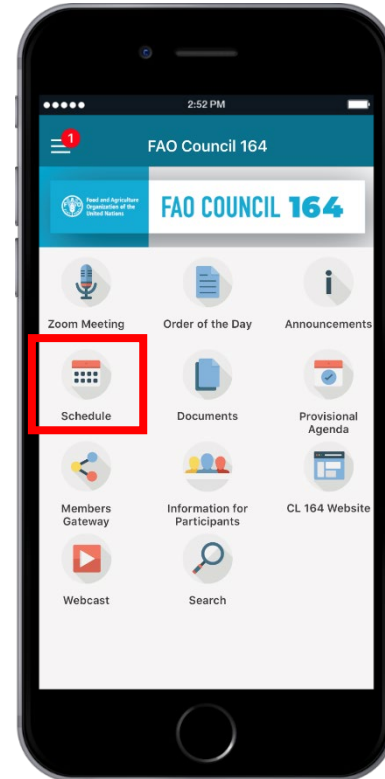

Getting to know the app: Schedule

The order of the sessions can be found by selecting 'Schedule'.

Under each meeting you will find

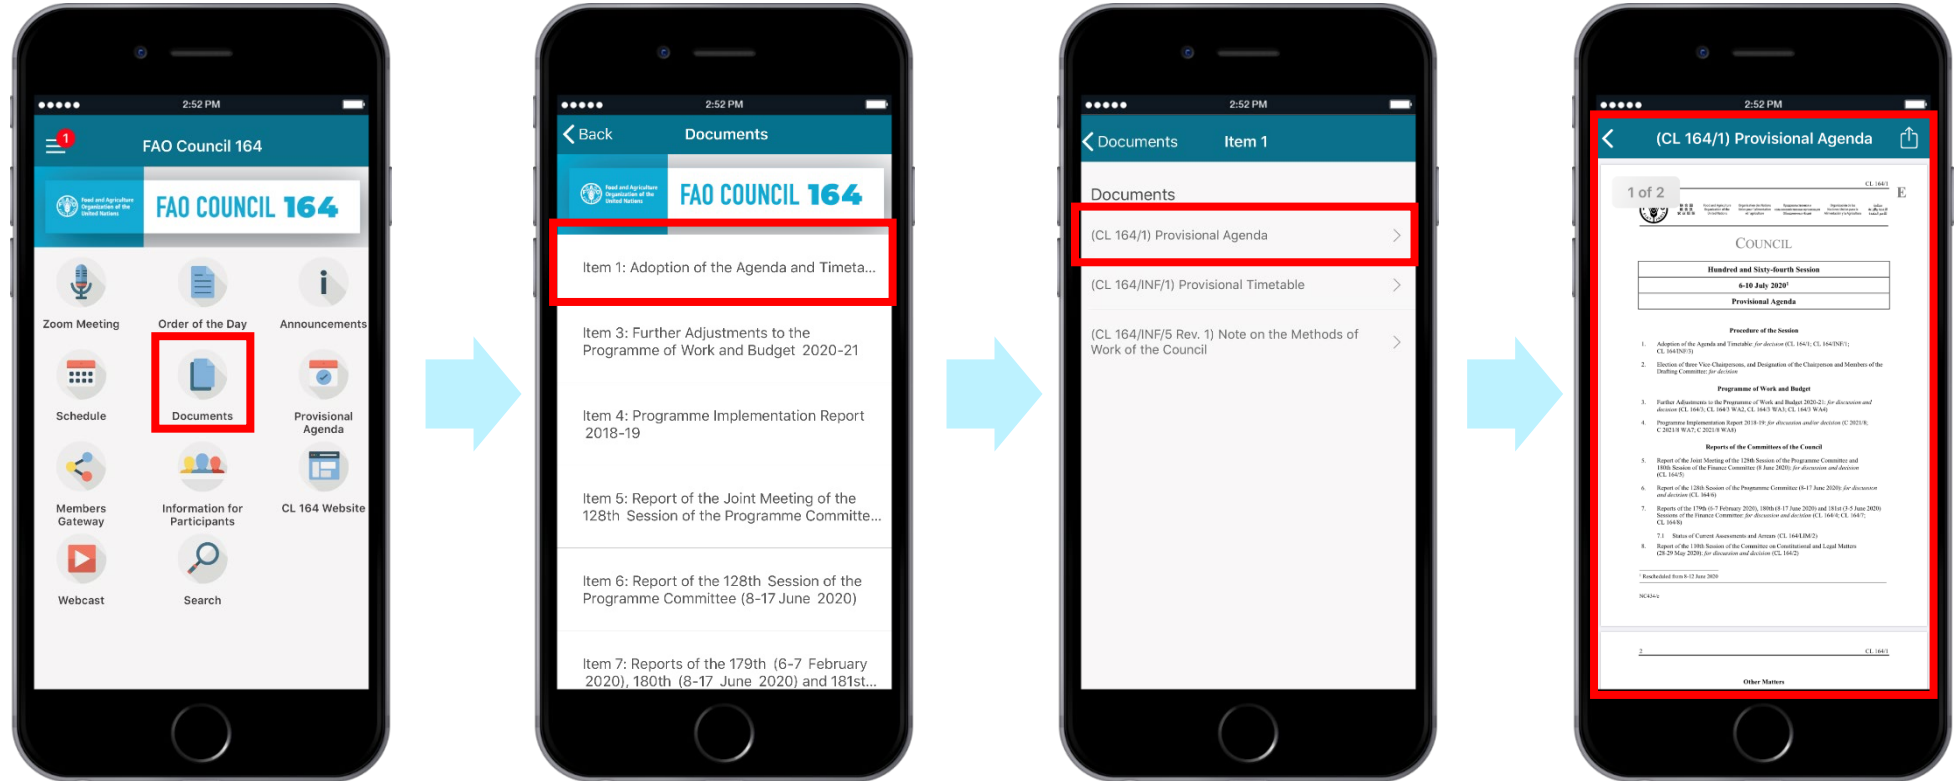

- A link to the meeting
- the Items planned for discussion
- links to the relevant documents under each Item.

Getting to know the app: Documents

Council Documents are arranged according to the Agenda item.

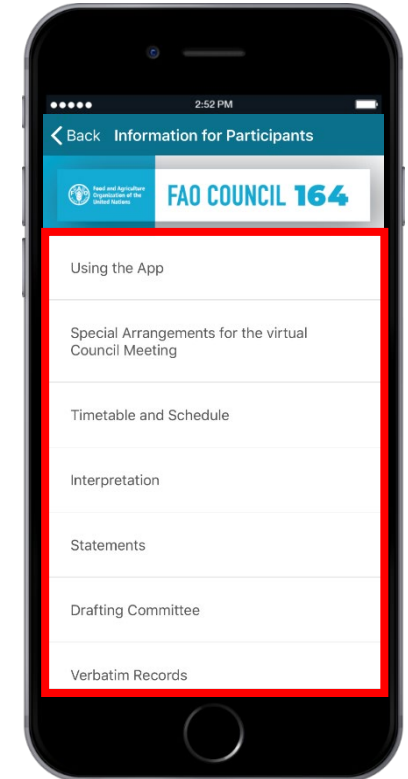

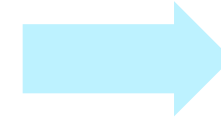

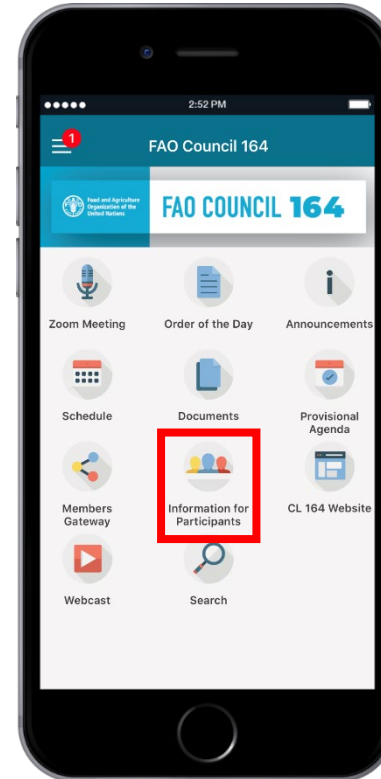

You can access each document as a pdf.

Getting to know the app: Information for Participants

Under “Information for Participants” you will find relevant information to support your work during this week.

Key topics include registration, special arrangements for the virtual Council, Zoom guidelines, and information on statements and interpretation.

Getting to know the app: Quick links

Directly access the following with one click!

- Zoom meeting
- Order of the Day
- Provisional Agenda
- Members Gateway
- CL 164 Website
- Webcast

We hope you enjoy
the app and have a
great Council
session!
