

Food control system assessment tool:
Dimension D - Science-knowledge base and continuous improvement

Corrigendum

12.09.2022

The following corrections were made to the PDF of the report after it was published.

Page	Location	Text in PDF published online	Text in corrected PDF
13	Last row of the table	D.1.3.9. Units conducting risk assessment and risk management are functionally separated, and CAs and experts involved in risk assessment are not subject to any conflict of interest.	D.1.3.9. Las dependencias que se ocupan de la evaluación y la gestión del riesgo tienen independencia funcional y las autoridades competentes y los expertos que intervienen en dicha evaluación no están sujetos a ningún conflicto de intereses.
