
APPENDIX G

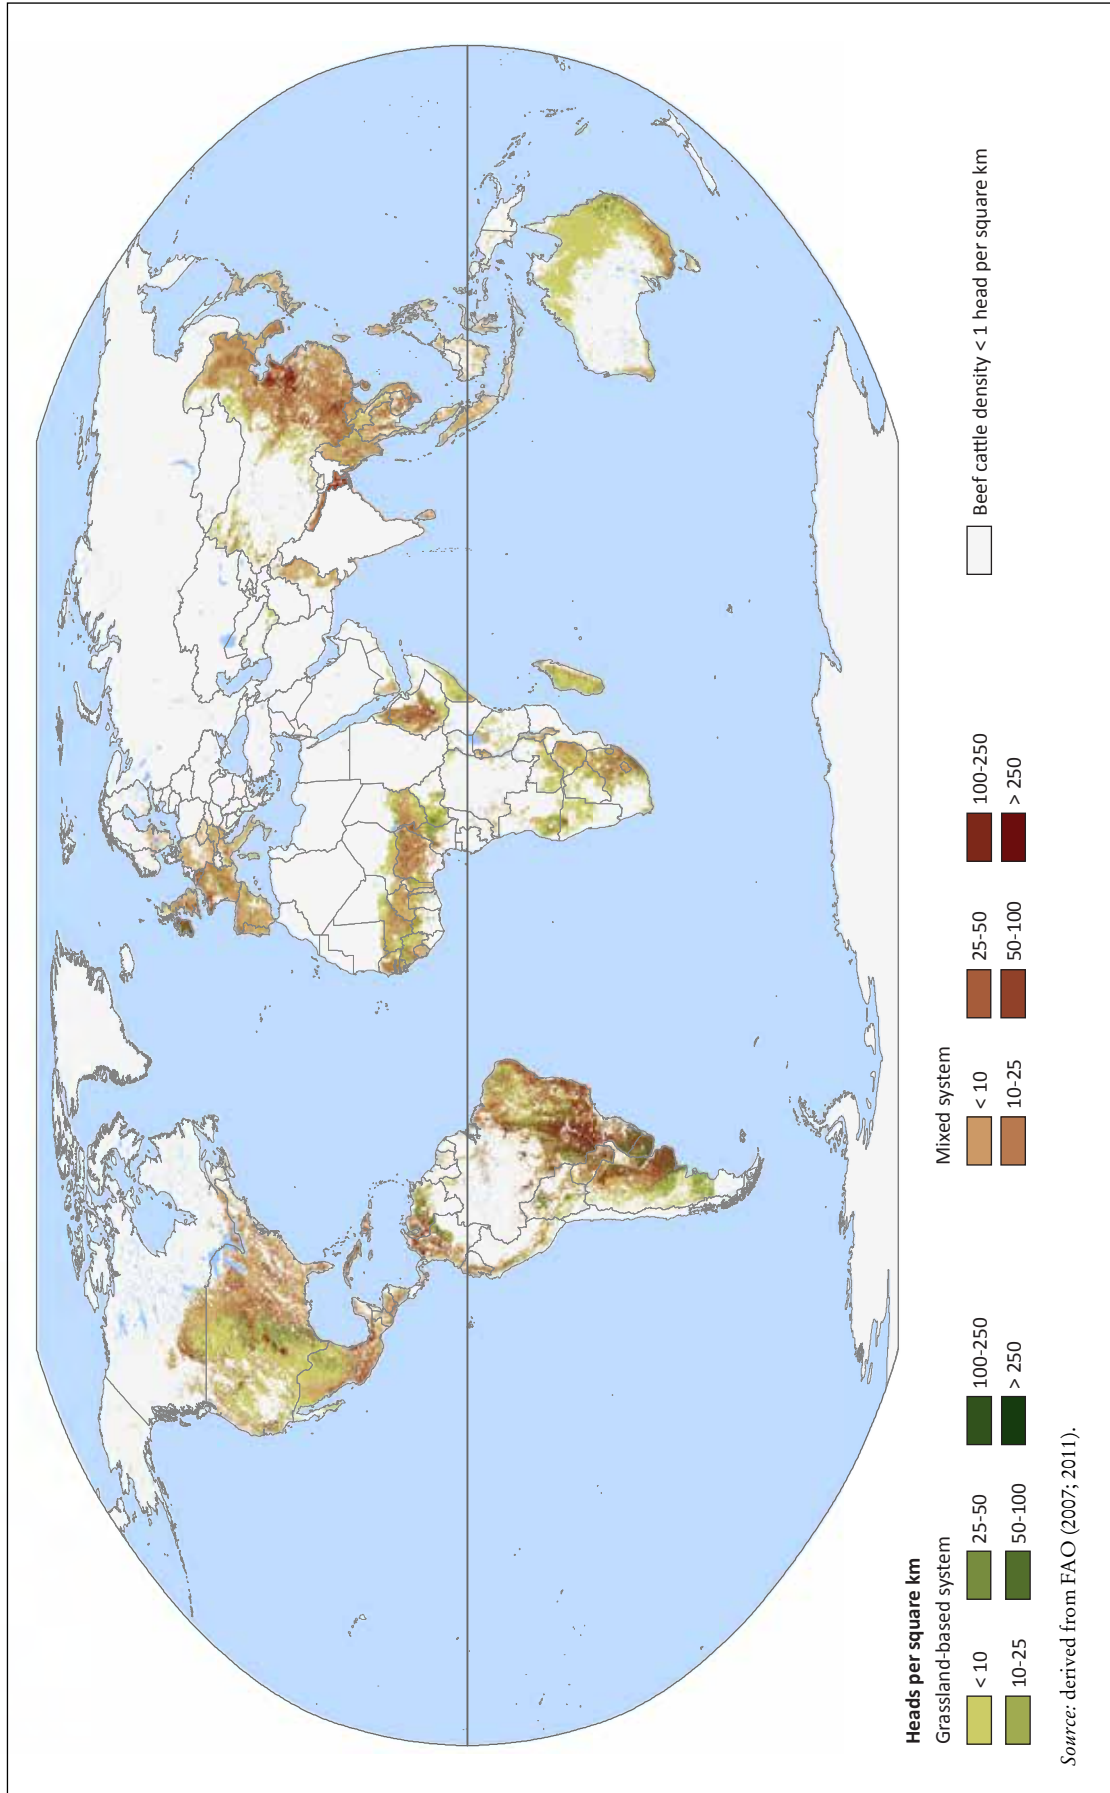

Maps

1. Distribution of dairy cattle populations	176
2. Distribution of beef cattle populations	177
3. Distribution of buffalo populations	178
4. Distribution of goat populations	179
5. Distribution of sheep populations	180
6. Proportion of milk protein in total protein from cattle dairy herds	181
7. Average feed digestibility for dairy cattle	182
8. Average feed digestibility for beef cattle	183
9. Manure methane conversion factor for dairy cattle	184
10. Manure methane conversion factor for beef cattle	185
11. Proportion of feed N retained in product – dairy cattle herds	186
12. Proportion of feed N retained in product – beef cattle herds	187
