The background of the page is a detailed botanical illustration. It features various green plants and leaves. In the top left, there are broad, ovate leaves with prominent veins. In the top right, there are smaller, more delicate leaves and clusters of tiny flowers. In the bottom right, there is a tall, slender plant with long, narrow leaves and a cluster of small, round, green flowers. The overall style is that of a classic botanical plate, with fine lines and a naturalistic color palette of greens and yellows.
