and **Food Systems**
for **Nutrition**

The Global Panel at ICN2

Join us at our side event:

Enhancing the Impact of Agricultural and Food Policies on Nutrition

Date: Thursday 20 November 2014

Time: 12.30

Place: FAO, Red Room, Building A,
1st Floor, Rome, Italy

Global Panel speakers include:

Akinwumi Adesina, Global Panel member and Minister of Agriculture and Rural Development (Nigeria)

José Graziano da Silva, Global Panel member and Director General, Food and Agriculture Organization (FAO)

Jane Karuku, Global Panel member and former President of Alliance for a Green Revolution in Africa (AGRA)

Jeff Waage, Head of Secretariat and Technical Adviser to the Global Panel

Technical brief launch:

The Global Panel's technical brief "**How can Agriculture and Food System Policies improve Nutrition?**" will be launched at this ICN2 side event. It will show the breadth of policies relating to agriculture and food systems that influence nutritional outcomes for people and the opportunities to make these more nutrition-enhancing.
