

The background of the entire page is a complex, repeating pattern of geometric shapes and pill icons. The shapes include circles, triangles, squares, and rectangles, often overlapping or nested. The colors used are a palette of blue, red, yellow, grey, and dark blue. Some shapes resemble pills, with one half colored and the other half a different color, or having a small notch or hole. The overall effect is a vibrant, abstract, and medical-themed border.

Antimicrobial Resistance (AMR) Multi-Stakeholder Partnership Platform

Second Plenary Assembly

Shaping and promoting multi-stakeholder One Health solutions to address AMR by leveraging the outcomes of the UNGA High-Level Meeting on AMR, its Political Declaration, and the 4th High-Level Ministerial Conference on AMR

16 November 2024, The Ritz-Carlton, Jeddah, Kingdom of Saudi Arabia

Programme

7:30-08:00	Registration and welcome coffee
08:00-08:30 Plenary (auditorium)	<p>Welcome and introduction</p> <ul style="list-style-type: none"> - Arshnee Moodley, Chair of the AMR Multi-Stakeholder Partnership Platform Steering Committee, CGIAR Antimicrobial Resistance Hub Lead - Junxia Song, FAO Head of One Health Coordination and AMR Cluster, Senior Animal Health officer on behalf of the Coordinating Team <p>Context: <i>This introductory session will aim to provide participants with a comprehensive overview of the work and progress of AMR Multi-Stakeholder Partnership Platform since the last Plenary Assembly, highlight its purpose, structure, and operational mechanisms.</i></p>
08:30-10:00 Plenary (auditorium)	<p>Agenda item 1. Action Groups discussions</p> <p>Context: <i>This plenary session aims to showcase the work and some of the achievements of the Action Groups over the past year. We will take stock of our collective efforts in the Action Groups and gather insights and perspectives from the Action Groups regarding their role as the driving force of the AMR Partnership Platform in supporting the implementation and follow-up of the UNGA HLM political commitments on AMR.</i></p> <p>Expected outcome: <i>A shared better understanding of the role, activities, and progress of the Action Groups, along with their collective vision for support to the implementation and follow up on the commitments of the UNGA HLM on AMR political declaration.</i></p>
10:00-11:00 Breakout sessions	<p>Agenda item 2. Clusters breakout sessions</p> <p>Research and academic organizations</p> <ul style="list-style-type: none"> - Civil society organizations and networks - Private sector networks and federations - Governments, UN entities and specialized agencies, global and regional intergovernmental institutions - Resource Partners, financial institutions and philanthropic organizations <p>Context: <i>These parallel breakout sessions aim to facilitate networking and connections among cluster members, encourage discussions about their activities over the past year. Additionally, these sessions will gather the cluster's feedback on the role of their respective constituencies in advancing the UNGA HLM on AMR commitments and translating them into action. The sessions will be co-facilitated by the leads of the clusters along with the coordinating team followed by a short feedback session in the Plenary.</i></p> <p>Expected Outcome: <i>A shared understanding of the role of the clusters and their respective constituencies' vision for the AMR Partnership Platform in supporting countries in implementing the commitments of the UNGA HLM political declaration on AMR commitments.</i></p>
11:00-11:30	Coffee break
11:30-12:30	<p>Agenda item 3. Shaping and promoting multi-stakeholder One Health solutions to AMR by leveraging the outcomes of the UNGA HLM- world café</p> <p>Context: <i>This participatory and engaging session, organized in the format of a “world café,” will focus on the key commitment areas of the UNGA HLM on AMR and its political declaration: 1. Governance, 2. Financing, 3. Access, 4. Coordinated multisectoral response with an emphasis on human health, agriculture, animal health, and the environment, 5. Research and development, training, innovation, and manufacturing, and 6. Surveillance and monitoring. Participants will collaboratively unpack these commitment areas, working on a multi-stakeholder solutions matrix to identify key actions and solutions, as well as indicators for success, and stakeholder mapping and roles. This solutions matrix will serve as a foundation for further discussions on the role of the AMR MSPP and its members in translating these commitments into action using the One Health approach.</i></p> <p>Expected Outcome: <i>A solutions matrix as a living document that can serve as the basis for further discussions on the role of the AMR MSPP in supporting the implementation of UNGA HLM on AMR commitments and tracking collective progress.</i></p>
12:30-13:30	Lunch

<p>13:30-14:15</p> <p>Plenary (auditorium)</p>	<p>Opening of the 2nd Annual Plenary Assembly of the AMR Multi-Stakeholder Partnership Platform</p> <ul style="list-style-type: none"> - Welcome video from the Quadripartite Principals - Thanawat Tiensin, FAO Assistant Director-General, Director of the Animal Production and Health Division, Chief Veterinarian - Jacqueline Álvarez, UNEP Chief, Chemicals and Health Branch, Industry and Economy Division - Yukiko Nakatani, WHO Assistant Director-General, AMR Division ad interim - Montserrat Arroyo Kuribrena, WOAHA Deputy Director General for International Science and Standards <p>Key note speeches by high-level officials:</p> <ul style="list-style-type: none"> - H.E. Fahad Al Jalajel, Minister of Health (MoH), Kingdom of Saudi Arabia (TBC) - Eng. Mansour Hilal Al Mushaiti, Vice Minister of Environment, Water and Agriculture (MEWA) (TBC) - Hon. Margaret Muhanga Mugisa, Minister of State for Health in charge of Primary Health Care of Uganda - Dr. Dan Ericsson, State Secretary to the Minister for Rural Affairs of Sweden - Dr. Ethel Maciel, Secretary of Health Surveillance and Environment, Ministry of Health of Brazil
<p>14:15-17:15</p> <p>Plenary (auditorium)</p>	<p>Agenda item 3 (continuation): Shaping and promoting multi-stakeholder One Health solutions to AMR by leveraging the outcomes of the UNGA HLM and its political declaration on AMR – World Café</p> <p>Context: <i>This participatory and engaging session, organized in the format of a “world café,” will focus on the key commitment areas of the UNGA HLM on AMR and its political declaration: 1. Governance, 2. Financing, 3. Access, 4. Coordinated multisectoral response with an emphasis on human health, agriculture, animal health, and the environment, 5. Research and development, training, innovation, and manufacturing, and 6. Surveillance and monitoring. Participants will collaboratively unpack these commitment areas, working on a multi-stakeholder solutions matrix to identify key actions and solutions, as well as indicators for success, and stakeholder mapping and roles. This solutions matrix will serve as a foundation for further discussions on the role of the AMR MSPP and its members in translating these commitments into action using the One Health approach.</i></p> <p>Expected Outcome: <i>A solutions matrix as a living document that can serve as the basis for further discussions on the role of the AMR MSPP in supporting the implementation of UNGA HLM on AMR commitments and tracking collective progress.</i></p> <p>Moderated by Arshnee Moodley, Chair of the Steering Committee and Jean Pierre Nyemazi, Acting Director, Global Coordination and Partnership Joint Secretariat on AMR</p>
