## Note to Delegates

### Conference Arrangements

1. The Ministerial Meeting of the 37th FAO Regional Conference for Asia and the Pacific (#APRC37) will be held, primarily in-person, with virtual participation facilities, from 19 to 22 February 2024, in Colombo, Sri Lanka. The inaugural ceremony will take place on 20 February 2024.
2. The Senior Officers Meeting (SOM) will convene in virtual modality from 31 January to 2 February 2024. Both the SOM and the Ministerial Meeting segments will be recorded, and translation/interpretation services will be provided for all Agenda Items.
3. The registration link for both delegations of the SOM (entirely virtual) and Ministerial Meeting (in-person or virtual) is below. It is customary for Senior Officials to also join the Ministerial Meeting. In all cases, participants can register here: <https://eur.cvent.me/4mv2O>
4. All session times indicated are those of Sri Lanka (GMT +5.5 hours).
5. The link to register for the virtual (Zoom) meetings will be distributed in a separate message after registration is confirmed. A dry run of the virtual SOM will be held closer to the date of the Regional Conference to ensure Members' connectivity. We strongly encourage delegations to attend this dry run, to ensure that any technical connection issues or challenges are addressed and resolved prior to the actual virtual session of the Regional Conference. More details will follow in due course.
6. During the Regional Conference, an "Order of the Day" will be issued daily on the Conference webpage giving detailed information on the Regional Conference business, timetable of meetings, items to be discussed and other general information for that day.
7. The Provisional Agenda, Provisional Timetable and Provisional List of Documents will be available in due course on the APRC website at: <https://www.fao.org/events/detail/aprc37/>

### Working languages

8. The working languages of the Regional Conference are Chinese, English, French and Russian. Simultaneous interpretation will be provided for both SOM and the Ministerial Meeting, and documentation will be issued in these four languages.

Documents can be consulted at [www.fao.org](http://www.fao.org)

11. Working documents will be made available to all participating Members and organizations, before the Regional Conference commences, as they are received by the Secretariat, at the following address: <https://www.fao.org/about/meetings/regional-conferences/aprc37/documents/en/>

### **Advance written correspondence on agenda items**

<sup>1</sup> Interventions may be either live or pre-recorded for delegates attending in virtual modality. In any case, the duration should not exceed four minutes (800 words). For Heads of Delegation joining the Ministerial Meeting virtually, in order to minimize the risk of connectivity problems for virtual participation, pre-recorded interventions are encouraged. If the intervention is pre-recorded, it will be played during the Conference at the appropriate time during the Ministerial Meeting. Both written and pre-recorded statement scripts should be emailed to the Secretariat by 12 February 2024 (for interpretation) to [APRC-Dialogue@fao.org](mailto:APRC-Dialogue@fao.org)

If pre-recorded, the final video statement must be only in MP4 format and must reach the APRC Secretariat no later than 12 February 2024. Videos should be sent to [APRC-Dialogue@fao.org](mailto:APRC-Dialogue@fao.org) via any commercial large file transfer service.

The technical specifications for pre-recording interventions are as follows: 1. the recording/filming should be produced in full HD 1080 x 1920; and 2. the file, in MP4 format only (not .MOV), should be compressed into a lighter version for playback via Zoom; and 3. A maximum duration of 4 minutes should be compressed to 80 MB in size at a compression rate of 3.5 mbps (megabyte per seconds) (files exceeding this size may create technical problems to play and view) the compression should be done prior to sending to the APRC Secretariat; 4. The hard deadline of 12 February 2024 is required to give the Secretariat time to test the recordings on Zoom.

17 January 2024), if possible. These inputs will then be posted on the Regional Dialogue Area as they are received. Please indicate clearly in the email subject line and in its body to which Agenda item the comments or inputs relate.

18. Where applicable, the Secretariat will provide written responses to inputs received. A consolidated response to comments received by 17 January 2024 will be prepared by the APRC Secretariat and will be posted in the Regional Dialogue Area by 24 January 2024.

19. To facilitate the proceedings, an introduction to each of the Agenda Items will be circulated to participants in the form of an illustrated PowerPoint presentation in the Regional Dialogue Area.

20. Items considered under the written correspondence procedure will form an integral part of the deliberations and Report of the 37th Session of the APRC.
