TOWARDS ZERO HUNGER 1945-2030

Also available in:
ARABIC | CHINESE | FRENCH | SPANISH | RUSSIAN

This book offers a unique glimpse into the photo archive of the Food and Agriculture Organization of the United Nations (FAO), a historic collection of more than a million images documenting the work of the Organization.

Since 1945, FAO has played a leading role in combating hunger worldwide – in the fields, in the mountains, on the oceans, in the heat and dust, in the cold and wet – helping people to survive, progress and prosper all over the world. This book shows that, acting together, we can achieve Zero Hunger by 2030.
