Theory of change for gender transformative programming for food security, nutrition and sustainable agriculture

Corrigendum

25 October 2024

The following corrections have been made since the publication date.

Page	Location	Text in printed PDF	Text in corrected PDF/ Notes
iv	Paragraph 1	This note was written by Chiqui Arregui, Senior Social Development and Gender Consultant, Alejandra Safa Barraza (FAO), Mariola Acosta (FAO) and Loïs Archimbaud (FAO), based on the draft theory of change for gender transformative programming for food security, nutrition and sustainable agriculture developed by the Joint Programme on Gender Transformative Approaches for Food Security, Improved Nutrition and Sustainable Agriculture (JP GTA), and after being piloted in Ecuador and Malawi. The draft was prepared by Clare Bishop, Senior Gender Consultant and Hajnalka Petrics (FAO).	This note was written by Chiqui Arregui, Senior Social Development and Gender Consultant, Alejandra Safa Barraza (Food and Agriculture Organization of the United Nations – FAO), Mariola Acosta (FAO) and Loïs Archimbaud (FAO) under the strategic guidance of Alejandra Safa Barraza. It is based on the theory of change for gender transformative programming for food security, nutrition and sustainable agriculture developed by the Joint Programme on Gender Transformative Approaches for Food Security, Improved Nutrition and Sustainable Agriculture (JP GTA) under the overall technical direction and with the contribution of Hajnalka Petrics (FAO) (JP GTA Programme Coordinator 2019–2022). We are grateful to Andrea Sanchez Enciso (FAO), Silvia Sperandini (International Fund for Agricultural Development – IFAD), Zuzana Kazdova (World Food Programme – WFP), Mar Echevarría (WFP), Elena Gañán Nuñez (WFP) and Clare Bishop, Senior Gender Consultant, for their valuable contributions.
iv	Paragraph 2	The JP GTA has been implemented since 2019 by the United Nations Rome-based Agencies (RBAs) – the Food and Agriculture Organization of the United Nations (FAO), the International Fund for Agricultural Development (IFAD) and the World Food Programme (WFP) – in collaboration with and through the financial support of the European Union.	The JP GTA has been implemented since 2019 by the United Nations Rome-based Agencies (RBAs) – FAO, IFAD and WFP – in collaboration with and through the financial support of the European Union.
iv	Paragraph 3	Special thanks go to Silvia Sperandini (IFAD) and Elena Gañán Nuñez (WFP) for their valuable contribution as reviewers.	*Deleted and names incorporated as contributors above*
