Resolution 1/159

Amendment to the Statutes of the Commission for Small-Scale and Artisanal Fisheries and Aquaculture of Latin America and the Caribbean (COPPESAALC)

THE COUNCIL,

Recognizing that the Council at its Seventieth Session, which took place in Rome from 29 November to 9 December 1976, established the Commission for Inland Fisheries of Latin America (COPESCAL), through Resolution 4/70;

Bearing in mind that the Hundred and Fortieth Session of the FAO Council, held from 29 November to 3 December 2010, amended COPESCAL Statutes to include aquaculture and changed its name to “*Commission for Inland Fisheries and Aquaculture for Latin America and the Caribbean (COPESCAALC)*”;

Taking into consideration the broad geographical scope of COPESCAALC which includes most of the countries of Central and South America as well as some of the Caribbean;

Recognizing the importance of small-scale and artisanal fisheries for the region and the need for a regional forum for political discussion on this topic;

Recognizing that COPESCAALC has operated in an effective manner since its creation in 1976 and that, as a result of the experience it has gained over the years, members have considered it as the most appropriate forum in the region to discuss small-scale and artisanal fisheries;

Taking note that at the Fifteenth Session of COPESCAALC, held in Panama City, Panama, from 22 to 24 January 2018, COPESCAALC member countries unanimously adopted the Statutes in order to expand its mandate to small-scale and artisanal fisheries;

Approves, under Article VI, paragraph 1 of the Constitution, the change of the name of COPESCAALC to “*Commission for small-scale and artisanal fisheries and aquaculture of Latin America and the Caribbean – COPPESAALC*”, and

Approves its revised Statutes expanding the Commission’s mandate to small-scale and artisanal fisheries, as set out in the Annex to this Resolution, on the basis that they do not entail any additional financial obligation for the Organization and that the Commission will closely coordinate its activities with other regional fisheries bodies in order to avoid overlapping or duplication and to identify synergies and complementarities.

(Adopted on 8 June 2018)
