UNDERSTANDING CODEX

CODEX ALIMENTARIUS

Pages: 60
Language: EN
(Forthcoming in all UN official languages)

Introducing the global standards for internationally traded foods, agreed on for over 50 years by member countries of the Codex Alimentarius. These standards have led to improvements in consumer safety and public health across the world, while reducing unnecessary trade barriers between countries. Such is the success of this joint FAO/WHO programme, that today it is virtually impossible to buy any food product whose safety and quality is not aligned with Codex standards.
