Feedback to Oman on the level of implementation of IOTC Conservation and Management Measures identified by the CoC09 in 2012.

Feedback: With regards to the level of compliance by Oman to the decisions of the Commission, the Compliance Committee noted certain issues that required attention. These concerns were communicated to Oman by the Chair of the Commission in a letter dated 26 April 2012.

The CoC ACKNOWLEDGED the important work that Oman had undertaken in addressing the concerns raised by CoC08 in 2011, as well as the difficulties that Oman continues to face in fully implementing a number of the CMMs adopted by the Commission, including the following:
• IOTC Implementation Report (Article X of the IOTC Agreement) and IOTC Compliance Questionnaire: Noting that Oman has provided the two reports very late, the CoC REQUESTED Oman to make special effort to respect the deadline for future submissions.
• Resolution 09/02 (Fleet development plan). Noting that Oman has not reported origin and capacity of vessels in its FDP, the CoC URGED Oman to complete its FDP and to provide the requested information as soon as possible.
• Resolutions 09/06, 10/12 (Marine turtles, thresher sharks): Noting that Oman has not incorporated the provisions of IOTC Conservation and Management Measures on marine turtles and thresher sharks into domestic legislation, the CoC URGED Oman to transpose those measures into domestic legislation as early as possible.
• Resolution 10/02 (Minimum reporting requirements): Noting the progress that Oman has made over the past year in implementing and improving upon data collection and reporting systems, the CoC noted that Oman is not fully compliant with the IOTC data reporting requirements, in particular catch and effort, and size frequency data have not been reported. The CoC URGED Oman to make further improvements in data collection and reporting during the intersessional period.
• Resolution 10/08 (list of active vessels): Noting that Oman has not reported its list of active vessels for 2011, the CoC URGED Oman to provide the information as soon as possible.
• Resolution 10/11 (On port state measures to prevent, deter and eliminate illegal, unreported and unregulated fishing): Noting that Oman has not provided the list of the designated ports, the name of the competent authority, the notification periods notice and the inspection reports, the CoC URGED Oman to report the information during the intersessional period.
• Resolution 11/05 (ROP at-sea-transhipments): Noting that Oman has not provided its report on at-sea transhipments and has not paid its 2010-11 contributions for the programme, the CoC ACKNOWLEDGED Oman's commitment to remedy this situation as soon as possible.

Response: No response to the letter of the Chair of the Commission was provided by Oman.

Current issues on the level of implementation by Oman of IOTC Conservation and Management Measures identified for discussion in the CoC10 in 2013.

Having reviewed the 2013 Compliance Report for Oman, the Chair of the Compliance Committee has identified the following significant non-compliance issues for discussion.

- | |
|---|
| • Has not provided the mandatory report of vessels active in the IOTC Area during 2012, |
